This summary of plan benefits is not a contract. It describes benefits in general terms. Consult the individual plan booklets for specific details of benefit coverage. To permit a brief summary of benefits and services, use of actual contract language has been minimized. This summary does not replace the legal documents that establish the plans. Final interpretation of any provision of the plans will be governed by the master policies and service agreements, which are on file in the office of the plan administrator. The Institute expects and intends to continue the Caltech benefits program but reserves the right to amend, modify, suspend, or terminate it, in whole or in part, at any time and for any reason.
